Many Types of Radio Controlled Aircraft On Display and Flying Throughout the Day

If you like aircraft, you will love the happenings at the radio control field. From micro to giant scale, there will surely be something to pique your interest. And be sure to watch them fly!

Area pilots will be flying all day, both days, demonstrating all kinds of flying, from scale like to incredible aerobatics.

Raffle Drawings for Great Prizes

Several local (and not so local) businesses and individuals have contributed goods, services or gift cards to be raffled. Buy 1 or 100 tickets. **One hundred percent** (100%) of all proceeds go to Volunteer Hospice of Clallam County.

*Bring your chair, enjoy the fun and help us raise money for one of the best charities on the Peninsula. All AMA Pilots are welcome to fly! All you need is a current AMA card and a \$10.00 landing fee that goes to Volunteer Hospice of Clallam County. And of course bring your favorite radio controlled airplanes. Also visit the displays and vendors at the **Olympic Peninsula Air Affaire!***

From full scale aircraft to flying models, it is all about aviation and open to the public at the Sequim Valley Airport.

**\$10 per vehicle parking fee charged by Olympic Peninsula Air Affaire*

The mission of the Volunteer Hospice of Clallam County is to provide free around-the-clock registered nursing availability to terminally ill patients, while supporting them and their families emotionally, physically and spiritually with a team of trained caregivers and volunteers.

Volunteer Hospice of Clallam County (VHoCC) is a 501(c)3 non-profit charitable organization, whose service area stretches from Diamond Point to Joyce. Our organization provides support and care for terminally ill persons, enabling them to live out their final days as fully and comfortably as possible.

Since its inception in 1978, all services have been provided free of charge to patients and their families; VHoCC does not bill any government agency for its services.
